All members present or accounted for. There has been a request for a roll call vote. The question before us is adoption of AM3608. Mr. Clerk, call the roll.

CLERK: (Roll call vote taken, Legislative Journal pages 1510-1511.) 31 ayes, 0 nay, Mr. President, on the adoption of Senator Wickersham's amendment.

SENATOR CUDABACK: AM3608 was adopted. I do raise the call. Speaker Kristensen, you are recognized to speak.

SPEAKER KRISTENSEN: Mr. President, I would ask that we'd stand at ease. There's a number of people who are reading through the veto overrides...the vetoes, in anticipation of overrides, I guess, but I would like to spend till 3:30, if members could come back. It will give them a chance to digest that and take a look at those vetoes, and that'd probably be the best use of our time. At that point, I need to decide which amendment we'll go to next and try to come up with some advance notice for the body when we do so. Thank you.
